

Gastroparesis Support Group

- Do you have a diagnosis of gastroparesis?
- Are you looking to share your experiences with others with gastroparesis?
- Are you newly diagnosed with gastroparesis and looking for more information?
- All patients who have received a diagnosis of gastroparesis are invited to attend.

**Hosted by the Digestive Health Center's
Behavioral Medicine Program**

Registration is required to attend for first-time attendees. To register, please contact Sara Hoffman Marchese – sara.hoffman@nm.org.

We are currently holding virtual meetings. After registering, you should receive an email from the group leader with information regarding the virtual group login. If you do not receive this email the day before group, please reach out to Sara Hoffman Marchese, sara.hoffman@nm.org.

PLEASE NOTE: We will make every effort to keep things confidential, but the nature of electronic communications technologies is such that we cannot guarantee the security of this platform, that group communications will be kept confidential, or that other people will not gain access to our communications. By attending via video, you are acknowledging the inherent risk of loss of privacy.
